

OMEN by HP Mindframe Headset

Stay cool with premium audio

FrostCap technology and passive cooling ear cushions provide comfort during gaming sessions while built in surround sound gives you a truly immersive experience.

FrostCap Technology

OMEN's active earcup cooling technology—to ensure comfort during long gaming sessions.

Play in comfort. Stay cool and game on.

Passive ear cushion cooling technology that conducts heat away from your skin.

Полное погружение. Абсолютное преимущество.

Built in virtual surround sound audio chip powered by C-Media Xear™ creates realistic spacial awareness to accurately pinpoint in-game sounds.¹

Надежная защита

Rest easy with an HP standard one-year limited warranty.³

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume

² Use of OMEN Command Center functionality requires Microsoft Windows 10, 64-bit, Version 1709 or higher.

³ HP includes a one-year limited warranty with online support available 24x7. Consult the HP Customer Support Center for details, or go to www.hp.com/go/orderdocuments. Internet access required and not included.

OMEN by HP Mindframe Headset

Особенности

Быстрая и удобная настройка

Be clearly in command with a flip to-mute microphone and on-ear volume control.

Crystal Clear communication

Environmental noise cancelling dual microphones block out background sounds so your squad only hears you.

Управление с помощью приложения OMEN Command Center

Create custom audio EQ settings in OMEN Audio Lab powered by C-Media Xear™ via OMEN Command Center.²

Превосходство над соперниками

Control FrostCap cooling technology and customize RGB lighting with OMEN Command Center.

Идеальное решение

Self adjusting, suspension headband and breathable, moisture wicking ear cushions with improved padding and oval shape provide lasting comfort.
